- 1 A Yes, but this does not change my opinion that  
2 this is a wound of entry.
- 3 Q Is Admiral Galloway a Pathologist, to your  
4 knowledge?
- 5 A Admiral Galloway had some training in  
6 Pathology. He was the Commanding Officer  
7 of the Naval Hospital, as I recall, and  
8 at that time, in my mind, this was a  
9 wound of entry, it just was suggested to  
10 add "presumably" this was.
- 11 Q Did he suggest you add anything else to your  
12 report, Colonel?
- 13 A Not that I recall.
- 14 Q Can you give me the name of the General that  
15 you said told Dr. Humes not to talk about  
16 the autopsy report?
- 17 A This was not a General, it was an Admiral.
- 18 Q All right, excuse me, the Admiral, can you  
19 give me the name of the Admiral?
- 20 A Who stated that we were not to discuss the  
21 autopsy findings?
- 22 Q Yes.
- 23 A This was in the autopsy room on the 22nd and  
24 23rd of November, 1963.
- 25 Q What was his name?

1 A Well, there were several people in charge,  
2 there were several Admirals, and, as I  
3 recall, the Adjutant General of the  
4 Navy.

5 Q Do you have a name, Colonel?

6 A It was Admiral Kinney, K-i-n-n-e-y, as I re-  
7 call.

8 Q Now, can you give me the name then of the  
9 General that was in charge of the autopsy,  
10 as you testified about?

11 A Well, there was no General in charge of the  
12 autopsy. There were several people, as  
13 I have stated before, I heard Dr. Humes  
14 state who was in charge here, and he  
15 stated that the General answered "I am,"  
16 it may have been pertaining to operations  
17 other than the autopsy, it does not mean  
18 the Army General was in charge of the  
19 autopsy, but when Dr. Humes asked who was  
20 in charge here, it may have been who was  
21 in charge of the operations, but not of  
22 the autopsy, and by "operations," I mean  
23 the over-all supervision.

24 Q Which includes your report. Does it not?

25 A Sir?

1 Q Which includes your report. Does it not?

2 A No.

3 Q It does not?

4 A I would not say so, because the report I signed

5 was signed by two other pathologists and

6 at no time did this Army General say that

7 he would have anything to do with signing

8 this autopsy report.

9 Q Can you give me the Army General's name?

10 A I don't remember it.

11 Q How did you know he was an Army General?

12 A Because Dr. Humes said so.

13 Q Was he in uniform?

14 A I don't remember.

15 Q Were any of the Admirals or Generals or any

16 of the Military in uniform in that

17 autopsy room?

18 A Yes.

19 Q Were there any other Generals in uniform?

20 A I remember a Brigadier General of the Air Force,

21 but I don't remember his name.

22 Q Were there any Admirals in uniform in the

23 autopsy room?

24 A From what I remember, Admiral Galloway was in

25 uniform, Admiral Kinney was in uniform, I

1 don't remember whether or not Admiral  
2 Berkley, the President's physician, was  
3 in uniform.

4 Q Colonel, in answer to one of the questions  
5 Mr. Dymond on direct examination asked  
6 you, you spoke of your opinion as to the  
7 sequence of shots after you saw the  
8 Zapruder film. Is that correct?

9 A Yes.

10 Q And it was your opinion that the sequence of  
11 shots was such that the President was  
12 hit in the back area first and then in  
13 the head area secondly. Is that basically  
14 correct?

15 A Yes, the first shot in the back of the neck  
16 and the second shot in the back of the  
17 head.

18 Q Now, did you know, sir, at that particular time  
19 that you formed your opinion on the se-  
20 quence of shots from the Zapruder film,  
21 that during the reconstruction of the  
22 assassination, that not one expert or  
23 anybody had performed the alleged feat  
24 of shooting the shot from the Texas School  
25 Book Depository in the span of time as it
