[Redacted]

Dear [Redacted]

In 1977 the Director of the Central Intelligence Agency made a commitment to Congress to make every effort to identify, locate, and inform persons who may have been unwittingly involved in CIA supported drug testing activities conducted by George White. Our research has indicated that [Redacted] was so involved, and it seems possible that you are the [Redacted] concerned. I would very much appreciate the opportunity to talk with you in order to confirm that you are the person for whom I have been searching. If you are that [Redacted] we are prepared to furnish you the limited information in our possession concerning your involvement.

Please either write to me at the letterhead address or phone me at [Redacted]. A collect call will be accepted. I look forward to hearing from you at an early date but preferably on or after 23 July 1979.

Yours truly,
