Dear Mr. Valentine:

This is a supplemental response to your 19 November 1993 Freedom of Information Act (FOIA) request for "all records, memorandum, studies, correspondences, cables, notes, summaries, and other documents relating in whole or in part to the CIA project [...] titled the Victims Task Force." As you know, we provided you a total of 97 documents with our letters dated 14 January 2000, 31 January 2000, and 1 February 2000.

We became aware of an error in our initial review of the Victims Task Force documents. Specifically, with regard to the four documents hand-numbered 19, 73, 74, and 75, we mistakenly redacted the addresses of DEA/CIA safehouses that were eligible for release. Corrected copies of these four documents are enclosed. We are also sending you a list of the 66 documents which we located during our search but which we had to deny in their entirety.

We trust that this additional information will prove useful in your writing project.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathryn I. Dyer".
