CONSTITUTION AND ELECTION SELECTIONS

"Congress may by law provide the case of the President and
Vice-President, declaring what officer shall then act as President,
and such officer shall act accordingly until the disability be
removed, or a president be elected."

JFK assassinated 12:45 Central Time. Nov. 22, 1963.
LBJ administered oath of office 2.38 Central Time. 11/22/63.

Johnson should not have taken oath of office until
Congress decided who killed President Kennedy?

The Vice-President should not be part of killing or
covering-up the murder of the President and take his job
because of that assassination.

No new president should take office until the murder
of the president is conducted to rule out foul play.
No evidence should be locked up for seventy five years.
No investigator should be friends with suspect.

1960, 1964, 1968, 1972, 1976, 1980 elections were altered because of
murders that erased possible candidates. Like Germany, we are deprived
of any possible choices made by the people.

A VOTE FOR RONALD REAGAN

Bring out political adversaries, end apathy.
Put Reagan and his team up front, for the world to examine.
Watch him fall like Richard Nixon, out of office, or assassinated.
A vote for Reagan will end the long apathy, demand responses.
