EDWARD RICHARDSON, HINCKLEY "IMITATOR". UPI, AP. 4/5/81

Tape # 487 John Warlock Hinckel same as John Warnock Hinckley, Jr.
 WARLOCK clone Richardson "long admirer of Manson Family, SLA, Squeaky."
 "RR must die. Your death is required, Alex Haig and Sen. Jesse Helms,"
 "We are a wave of assassins throughout the world."

Bring on the Jonestown assassination trained teams.
 Bravo Delgado, you unleashed your robots.
OPERATION MIND CONTROL, MIND MANIPULATORS, CONTROL OF CANDY
 JONES, STANFORD RESEARCH, UCLA, JOLLY WEST, UCB.

Remember Haig, Helms want Internal Security Committee again.
 Remember Haig wiretapped, bugged illegally. Watergate.
 Defense Dept. created Manson Family, SLA, Jonestown for this
exact purpose, to knock off public leaders to gain control.

THE OLD FORMULA STILL WORKS. COMPARISONS OF DALLAS, 1963, DALLAS, 1981

WEAPON CONFUSION

JFK: "German Mauser" assassination weapon! Later, "Italian Carcano".
 RR: ".38 caliber" doing the job. Later, ".22".

JFK: There were two Mausers in book depository where Oswald worked.
 RR: Hinckley bought a .38 January 21, 1981, Denver, Colo. Where is it?

JFK: How many bullets in 5.3 seconds, bolt action rifle. Too many.
 RR: Six, seven, or eight bullets in 2-3 seconds? Too many again.

JFK: Forced to squeeze bullet numbers to photos and evidence, the
 direction of bullets, diagram, trajectory off. Bullet #399 created.
 FF: Forced to account for bullets, next day, diagram, explanation
 became a "rifle shot from car door." That changed direction.

JFK: Witnesses who heard or saw shots from front of JFK ignored.
 RR: Witnesses who heard, saw person behind Reagan, others, ignored.

JFK: JFK, John Connally clothing, car interior never used for evidence
 or trajectory conclusions when investigating the shooting.
 RR: Clothing of four in Washington, D.C., car damage, will not be
 examined to locate other or others shooting.

JFK: Secret Service, police, others, all ran to Grassy Knoll, up hill.
 Warren Commission, FBI, concluded "one man", "behind JFK", did it.
 Seventeen years of controversy because of the "one man" story.
 FF: Secret Service, spectators, deliberately jumped "one man", didn't
 look around for any other persons.

JFK: Bullet in JFK, Connally, neck, back, arm, leg, throat clean, pristine.
 JFK fatal head shot, head blown apart. Different weapon.
 RR: Three men fall, as if in battle, down hard. Reagan "walked in",
 didn't know he was shot until much later"? Different weapon?

SIMILARITIES BETWEEN JFK AND RR SHOOTINGS, A FEW, MANY MORE THAN THESE.

- JFK: The tell-tale Diary, the motives solved, the "Loner", "Wanted a place in history", "Nobody lost in the crowd", "Never achieved".
- FF: The tell-tale letters, the motives solved, the "Loner", "Wanted a place in history", "Nobody lost in the crowd", "Never achieved". Jodie Foster, will prove himself to her. Ha Ha. This motive?
- JFK: The wanderer who never worked but got around. Oswald, U-2 bases in Japan, Phillipines, Marines 3 yrs, France, Finland, USSR, NY, Texas, N.O., Miami, Mexico, Texas, New Orleans. Moscow, Minsk, Brussels.
- RR: Hinckley's 7 years, Texas, Calif., Ill., St. Louis, New York, New Haven, Atlanta, Nashville, Calif. "3 mysterious" years missing, Colorado, years, months, contacts not yet, probably never, identified. Wash. D.C.
- JFK: Lee Harvey Oswald with Nazi Rockwell name, address. Nazi contacts.
- RR: 20 mos. membership in Nazi Party, March anniv. of Rockwell birthday in St. Louis with "Storm Trooper", Oswald associates.
- JFK: "Use of Bernard Weissman, because of Jewish name, day of JFK assass. paid for by Birch Society, on Wanted for Treason handbills! Weissman testified, "They wanted a Jewish name that day."
- RR: Hinckley owned, purchased seven weapons, 50 rounds hollow bullets. Gun used to shoot Reagan identified from GOLDSTEINS, ELM ST. Jewish gun shop, same street where JFK was assassinated.
- JFK: Favors from law enforcement. Oswald got 24 hour passport, personal contact in Dallas with FBI agent James Hosty, State Dept. paid his way back from USSR, met by CIA Anti-Communist Committee in NY.
- RR: Hinckley arrested in Nashville, Tenn. airport. 3 weapons, 50 rounds of illegal hollow bullets, and handcuffs. Released in 34 minutes, no fingerprints, no FBI records. Told judge, "I am in law enforcement".
- JFK: Lies about Oswald shooting Gen. Walker, prior to JFK murder, to make his mind appear confused, going after "right", then "left", no plot.
- RR: Lies about possible Hinckley following Carter in Tenn, same day, to make it appear, "Carter", "Reagan", no plot.
- JFK: Dallas, oil engineers, redneck, devout "Christian", right wing extremists conceived these murders, plots, for military control.
- RR: Hinckley family, same location, streets, as same JFK plotters, close alliance with identical names, faces, institutions, murderers. Described as "Rich oil family from Denver, Colo." Left Dallas broke in 1973-1974, suddenly Vanderbilt Energy, 1970, into the chips. When moved to Denver, \$250,000 home, how did they know things would go so well? MISSIONARY-CIA-FBI DIV. V LINKS?
- JFK: Was Oswald a "failure", or did he serve Navy Intelligence well?
- RR: Is Hinckley a "failure", or will Reagan die of "complications?"

Visit to Carmel Jan. 13, 1981 "John Randall, white car, mind controlled robot. 24 yrs. old, blond, looked like Nazi stormtrooper, accompanied by an older woman. He looked straight, she was "hippie". She talked. He grinned. Wanted to move in my home."
