On who killed President John F. Kennedy:

"One of the worst kept secrets in the Company is the truth about the President's murder. It wasnt Castro, Russians, or Castro Cubans. The men who killed Mr. Kennedy were ex-CIA contract agents working on their own, with some Anti-Castro Cuban exiles, and the whole thing was set up and financed by the mob". (Digressing from Nazi, Gehlen connections, Dallas-Ft. Worth, Argentina, New Jersey, New Orleans.)

"John Kennedy's murder was a two-part conspiracy. One was the action end with the killers, the other is the deeper part, the

Continued from below) the acceptance and protection of that murder by the intelligence apparatus that controls the way the world operates. It had to happen. The man was too independent for his own good."
