THE VILLAGE VOICE, 11/30/82, ALEXANDER COCBURN, PUT DOWN OF MAE BRUSSELL

An article making fun of opinions of Grace Kelly family, shared by her sister and brother, not exactly conspiracy buffs, anymore than Roberto Calvi's widow.

"On Nov. 2, the Grace saga reached a peak of inventiveness, with the National Examiner's headline; "WHY GRACE WAS MURDERED". The thrilling narrative by Cliff Linedecker told how Grace, in the course of a visit to the Vatican, had stumbled upon details, perhaps as a spy had sought them out, of the international banking scandal. (Not in course of single visit, making top secret work in Basilica, ephasized as top secret). She had paid the price for her inquisitiveness. There was a wealth of interesting circumstantial detail, but AT THIS POINT I NOTICED THAT THE EXAMINER's story was based upon theories OF OUR OLD FRIEND AND ASSASSINATION BUFF MAE BRUSSELL. I was pleased to see that GRACE HAD FALLEN INTO THE CLUTCHES OF THIS GRAND MISTRESS OF CONSPIRACY THEORY, but felt no need to read further."
