"Wed, Nov.23, intend to fly over pacific ocean, drop where Larry McDonald went down".

Larry called me Sat. Nov.12, 1983, 2:00 am. Somebody cooked this bright idea in his head, he thought neutron bomb was going to fall over L.A., so went to Colorado for the day on Sunday. I knew somebody had gotten to him.

A COUPLE OF HOUSEGUESTS MOVED IN. GORDON NOVEL AND MITCHELL WerBELL

What was Larry Flynt Doing at the time?

1. Possession of John DeLorean tapes.
Refuses to tell L.A. Judge where he got them.
This persecution, singled out. Why not call Jack Anderson?
2. Possession of the Ronnie Reagan-Vicki Morgan tapes.
That is a little more serious.
I told him two weeks ago, after White House agents saw him, "give them back or they will kill you."

"Get your \$25,000,000 back. Then give me \$1 million for a research center". Mae
