CHANGES IN WORLD WATCHERS FOR 1985 ,IT IS GETTING TOO BIG, TOO MUCH INVESTED, AND TIME TO WRITE A BOOK, BOOKS, ARTICLES.

THE WORLD ARYAN REVOLUTIONARY ARMY IS PREPARED TO TAKE ON THE USA, ISRAEL, JEWS, JEWISH NEWS MEDIA, BLACKS, LIBERALS.

FIVE POSSIBILITIES FOR WORLD WATCHERS DURING 1985:

- #1 Go off the air entirely. Write a book, or series of articles. There is enough information and research for twenty consecutive books if I want to do them. It is impossible to write each day and keep up the weekly broadcasts.
- #2 Keep the weekly broadcasts on KAZU-FM for local listeners, Monterey Peninsula, Santa Cruz, Watsonville. Write in addition to the radio program. That would reduce mail, calls, and national contacts, record keeping, etc.
- #3. Purchase a tape duplicator and copy tape, mail them from the house. That would keep the information flowing, yet some cost of the subscriptions, newspapers, books, long distance calls, stationary supplies would come from your subscription money. For all the weekly work, only .50¢ per tape applies to the above.
- #4 Go off the air, but continue making the weekly broadcast for only those people who are visibly using the information in some way. An exchange of information between myself and a few others is valuable. Just buying the tapes isn't enough. For all those who just enjoy listening, and leaving all this information resting between your ears, the time can be utilized in a better manner to reach more people with books and articles you can see and read. This information should be used as ammunition for radio talk shows, letters to the editor, letters to public officials. CHARLES SPEARS, IN TEXAS, IS THE MASTER AT THIS. WE NEED 1,000 CHARLES SPEARS. DAVID EMORY PUTS WORLD WATCHERS ON FOUR DIFFERENT HOURS, TWO STATIONS THROUGHOUT THE BAY AREA. What happens after they disseminate it?
- #5. Dont mail checks for 1985 past a few weeks at a time, not by the year, or quarterly. I will keep you posted if when I make a decision. It might be that I am going to limit the cassettes to the activists, whatever form they take to respond. Sen. Howard Metzenbaum will fight the nomination of Edwin Meese. Pull out your tapes and sheets about Meese, Mrs. Meese, Robert Keith Gray, the medical labs she invested money with Dr. Earl Brian. Do something about this! Did you write before? Do you know how bad Meese will be?
