SUMMARY OF A STUDY COMPILED BY OTHER RESEARCHERS, INDEPENDENT OF MAE BRUSSELL, WHO FORMED IDENTICAL CONCLUSIONS ABOUT "THE GROWING DANGER OF THE HEAVILY ARMED PARAMILITARY NETWORK GROWING INSIDE USA."

The connections lead to both RETIRED and ACTIVE RANKING MILITARY.

Recruits for these armies, small in appearance but connected, is from VIETNAM, KOREAN WAR, AND BAY OF PIGS INVASION.

These three operations all considered failures.

The same team members hired over and over again, promoted.

Were these "failures" allowed to recruit for the big war and domestic fascism?

THE GROUPS FORMING NOW ARE IDENTICAL TO THE FREIKORPS.

This was the paramilitary groups that appeared in Germany. After WWI, they were secretly preparing for war against the USSR. The goal then, as now, was to continue the 1,000 year Reich. The FREIKORPS were under the protection of General Luddendorfs, others.

Recruits into these private armies, mercenaries, are WAFFEN-SS FANS. Many are trained in torture techniques by SOME WAFFEN -SS.

They are prepared for global operations.

Nazis, neo-Nazis, new young recruits who are trained to glorify war.

THE COMMON BOND BETWEEN THESE GROUP ARE POWERFUL ORGANIZATIONS SUCH AS THE AMERICAN SECURITY COUNCIL, WORLD ANTI-COMMUNIST LEAGUE, WESTERN GOALS, AND SIMILAR GROUPS WITH COMMON MEMBERSHIP AND A LOT OF MONEY.
