Sources of Information:

Warren Commission protected Lyndon B. Johnson, murder of JFK.
 Senate Select protected Richard Nixon, links to Dallas.

WORLD WATCHERS WILL REMAIN ON THE AIR, NO CUT-OFF IN JUNE.

I will continue on KAZU-FM and will continue tapes by subscription.
 The immediacy of events such as the Shuttle explosion, and Advanced
 Genetic Sciences moving into Monterey County, illustrate how important
 instant communication is between the radio audience, reporters, people
 concerned about all of the various issues. You get the idea!! Thanks.

UP-DATE ON A FEW SHUTTLE ARTICLES.

"FORCES GO AWRY, FORM 'ACCIDENT CHAIN', SHUTTLE TECHNOLOGY PITTED
 AGAINST HUMAN ERROR, WEATHER, POLITICS". WASH. Post 2/9/86

1. The technology was rigid, dont blast-off in freezing temperature.
2. The error was ignoring instruction, taking orders from ABOVE.
3. Weather was always part of technology, fuel, seams, tiles, pipes.
4. POLITICS was using teacher to cover deficit, budgets, star wars.

DAN RATHER, CBS EVENING NEWS, FEB. 18, 1986 "LAUNCH IN COLD WAS POLITICAL
 DECISION" Advice to delay because of freezing, "CANCELED".

"ENGINEERS DOUBT COLD CAUSED DISASTER" DC Times 2/7/86 (FIRST DAY)
 Re-read their lies three weeks later, see how Rogers Commission worked.
 Jesse Moore, now removed, was to set up a "devil's advocate" committee.

"OFFICIALS SEEM SURPRISED BY AGGRESSIVE QUESTIONS" NYT 2/7/86

Albert D. Wheelon, senior vice-president Hughes Aircraft. | These two.
 Richard P. Feynman, prof. Calif. Institute of Technology. | the hard inquiry
 Judson A. Lovingood, testifying proellant at 55° without tests.

"TESTIMONY SO DRAMATIC AND UNEXPECTED THEY AGREED PRES. REAGAN SHOULD BE
 INFORMED" S.J. Mercury 2/15/86

Weather actually 6° and 7°. "WHAT WE DONT KNOW IS WHO KNEW ABOUT
 THOSE TEMPERATURE READINGS"?

(That is the big question. DID REAGAN, REGAN, PUSH THIS FOR JAN. 28 SPEECH?)

"PANEL LEADER 'APPALLED' NASA MISSED KEY DATA. DECISION-MAKERS AT NASA
 DIDNT GET KEY LAUNCH DATA" SJM 2/19/86

This is the BIG LIE. Weather was on their minds all week and before.
 Wiilliam P. Rogers will not allow Congressional rep. to his hearings
 on grounds of "SEPARATION OF POWERS BETWEEN THE PRESIDENT AND
 CONGRESS". This Commission is to COVER-UP THE PRESIDENT.

"WHITE NIGHT SOUGHT FOR DEMORALIZED SPACE AGENCY" LAT 2/15/86

Reagan should look for Jim Jones or KISSINGER, HIS CENTRAL AMERICAN
 ADVISOR. Things couldnt get much worse. WHAT ABOUT DANIEL GRAHAM, SCI?

"THE RIGHT STUFF" New Woman, Feb. 1986 "How Ordinary Teacher, Wife, Mother
 became the FIRST PRIVATE CITIZEN IN SPACE"

Another lie. There were lab scientists, "guests" from Taiwan, Saudi
 Arabian, Germany, etc. Two members of Congress.
