CAMPUS REPORT, FROM ACCURACY IN ACADEMIA, PART OF ACCURACY IN MEDIA, JANUARY 1987, Vol. II, #

Irvine objected to suggestion that cancer, heart attacks can be administered as a weapon for political purposes and that specific kinds of people can be singled out.

He also noted Emory's references the "national security establishment dispatching President John F. Kennedy, Sen. Robert Kennedy, and Rev. Martin Luther King" to their graves.

"The Gehlen Organization" and references to the WORLD ANTI-COMMUNIST LEAGUE being able to "dispose of anyone" bothered Reed Irvine.

Irvine hoped Foothill College President Tom Clements would be "disturbed". Dr. Clements said, "it would indeed be disturbing if KFJC WAS AIRING SUCH STATEMENTS, AND IF TRUE, HE WOULD TAKE ACTION TO SEE THAT IT IS STOPPED".
