CONFLICT OF NSC AND PRESIDENT VS CONGRESS, DIA - CIA VS SOVIETS, NOT WORKING, TIME FOR A FOREIGN POLICY. SERIOUS QUESTIONS. KUWAIT, THE SLEEPING OIL GIANT WAKING UP. HOW FAR REACHING ARE THEIR INVESTMENTS? WHY CANT DEFEND THEMSELVES?

WHAT ARE THE DAILY COSTS OF MOVING OUR FLEET, PLANES TO PERSIAN GULF TO PROTECT KUWAIT?

There is a media barrage to stop hearings, special prosecutor, "waste of money". Reagan's decision makers never account for Persian Gulf expenses daily. Only the Defense Department, weapons manufacturers, gain from wars, confrontations.

"GOVERNMENT WITHIN A GOVERNMENT, NORTH DROPS A BOMBHELL ABOUT CASEY SECRET PLAN" S.F. EXAMINER, 7/11/87. Editor and publisher William R. Hearst III

Now the Examiner and other papers finally reading like World Watchers. This "Super SISMI" pocket government has been no secret since Nov. 22, 1963.

"THE BUCK STOPS WHERE?" S.F. Examiner 7/19/87

"Who indeed was POINDEXTER to be letting the buck stop with him, not the president?"
"IT IS NOT REAGAN'S INTEREST THAT IS AT STAKE, BUT THE FUTURE OF AMERICAN POLICY ON A WORLD SCALE. THIS WHOLE WRENCHING PROCESS HAS ILLUMINATED THE SERIOUS QUESTION OF HOW THE CONSTITUTIONAL BALANCE OR POWER CAN BE MADE TO WORK."

The seriousness of this problem of the NATIONAL SECURITY COUNCIL, and the NATIONAL SECURITY AGENCY, has been the theme and object of my concern since I learned of their small clique to order the assassination of leaders of any country, including our own, 11/22/63. That altered foreign policy, caused the Southeast Asia war escalation.

THE NSC and NSA were formed to bypass CONGRESS, created in 1947, and 1952.

"TV ANCHORMEN ARE MISSING THE BIG STORY OF THE HEARINGS" Carl Bernstein NYT 7/14/87

"Reagan's second term has been an outlaw Presidency, mocking laws, constitutional guards".
MAE: IF CARL BERNSTEIN DID AN HONEST JOB WITH WATERGATE, WHICH HE REFUSED TO DO, REAGAN WOULDNT EVEN BE PRESIDENT TODAY. SQUAD 19, OPERATION CHAOS, NIXON'S COINTEL-PROGRAMS, MURDER OF PRIMARY WITNESSES, CRIMES UNPUNISHED, LED TO IRAN/CONTRA.

NEWSWEEK, 7/27/87, BLAMES OLIVER NORTH FOR LEAKS THAT LED TO 2 AMERICAN DEATHS IN LIBYA.

North, in dramatic testimony, told Congressional leaking that alerted Gadhafi of attack. Sen. Inouye and Newsweek, these leaks came from North and the NSC. THE NSC, DEFENSE DEPT. USES THESE LEAKS TO PROVE CONGRESS CANT BE TRUSTED, SECRECY THEIRS.

"THE UNITED STATES IS A WAR BEHIND" SFC 7/20/87 William Pfaff from Paris.

"William Casey's problem was he wanted to re-create an OSS to do what he could not make his CIA do. The reason the CIA disappointed him is that 1987 IS NOT 1942. MICKHAIL S. GORBACHEV is not ADOLF HITLER. DANIEL ORTEGA is not ADOLF HITLER. NICARAGUA is not VIETNAM. The CIA made unsustainable promises, betrayed those who gave it their trust. Secret wars were going nowhere, ceasing to be secret, provoking political unease or opposition at home, and becoming LIABILITIES with respect to other policies. Those who collaborate are MERCENARIES, not selfless heroes. COL. NORTH DEPENDED UPON AN OFFICER RETIRED UNDER AN ETHICAL CLOUD (SECORD), AN IRANIAN BUSINESSMAN WHO TESTIFIED HE WAS IN IT FOR THE MONEY (HAKIM), AN IRANIAN FIXER WHOM THE CIA CONSIDERS A LIAR (GHORBANIFAR) AND A SAUDI ARABIAN COMMISSION MAN (ADNAN KASHOGGI, who now owes the Sultan of Brunei \$50,000,000)."
