GEORGE BUSH AND THE ARMS FOR IRAN

"BUSH SAYS HE SUPPORTED IRAN DEAL DESPITE MISGIVINGS", SJM 12/22/87

Vice Pres. G. Bush acknowledged, after 2-1-86 memo released, that he "strongly" supported arms to Iran "even though he had misgivings about it".

"In hindsight it was clearly an ARMS-FOR-HOSTAGE DEAL".

QUESTION: WHICH HOSTAGES WERE THE ARMS BEING SENT TO KHOMEIMI?

BARBARA HONEGGER documents indicate GEORGE BUSH sat in on early Paris meetings where arrangements were made to "hold hostages" until Reagan-Bush inauguration. Was all of this a continuation of earlier plans?
