RESOURCE CENTER FOR NONVIOLENCE, SANTA CRUZ: PAGE SMITH, FOUNDED FACULTY MEMBER FROM UNIVERSITY OF CALIFORNIA, SANTA CRUZ CAMPUS. 1/18/88 panel discussion on nonviolence, voter registration and Rev. Martin Luther King.

Mr. Smith made vague references to Rev. M.L. King, then casually passed off the remark that Dr. King was killed by some lone person, not for reasons that were political or had to do with King's growing "opposition to the war in Vietnam".

WHAT THE UNIVERSITIES ARE NOT TEACHING. WHAT PUBLIC IS NOT READING, HEARING ABOUT JFK, MLK.

"REPORT OF THE SELECT COMMITTEE ON ASSASSINATIONS, U.S. HOUSE OF REPRESENTATIVES, 95th Congress, Second Session, March 29, 1979, House Report No. 95-1828, Part 2.

"Scientific acoustical evidence establishes a HIGH PROBABILITY that two gunmen fired at Pres. J.F. Kennedy" On the basis of the EVIDENCE AVAILABLE to it, Pres. J.F. Kennedy was PROBABLY assassinated as a result of a conspiracy. The committee was unable to identify THE OTHER GUNMEN or the extent of the conspiracy".

Notice the "gunmen" is plural.

The committee believes, on the basis of circumstantial evidence available to it, THERE IS A LIKELIHOOD THAT J.E. RAY assassinated Dr. M.L. King AS A RESULT OF A CONSPIRACY.

The Justice Dept. failed to supervise adequately the Domestic Intelligence Division of the FBI. The Dept. of Justice and FBI failed to investigate adequately the POSSIBILITY OF A CONSPIRACY in the assassination. The FBI manifested a lack of concern for constitutional rights in the manner in which it conducted parts of the investigation.
