B. "1987 CRASH LINKED TO JAPANESE" S.F. Chronicle 4/24/88, WSJ 4/22/88

Japan incited the plunge, sold off U.S. Treasury bonds. The real trigger came in FOR THEIR OWN REASONS and sold an enormous amount of govt. bonds.

(Meese's Brian bought UPI as a result. Is that why Reagan alone, without Congress, gave the PLUTONIUM TO JAPAN LAST WEEK? Is Japan getting what they want in exchange for their making some rich in USA?)

Investigation by Nicholas Brady who will be Treasury Secretary if Bush president.

C. MONITOR, April, 1988. A monthly magazine on NAZIS, KLAN in USA.

How Nazis, Klan will use the Oct. 9, 1987 stock market crash to their advantage. Waiting for economic disasters to spurn their "white country" motives. Would JAPAN OR GERMANY help them out?

Usefull for me to learn how agents meet, how they employ names of relatives for gatherings who are not members of the family but other agents, and how "marriages" of agents are not always love affairs or weddings, but convenient cover operation
